Que T. Le
Primary Examiner

This is in response to applicants' Appeal brief filed June 10, 2004.

The following is an examiner's statement of reasons for allowance: The prior art fails to teach an image sensor device comprising an image sensor portion having a plurality of light receiving elements facing a document to be read out; and a thin film light source, wherein the source includes a plurality of light emission portions with a light blocking layer on the light receiving elements side and being arranged between the light receiving elements and the document with at least one of the light emission portions where the light originates being substantially aligned with a corresponding light receiving element.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."

Any inquiry concerning this communication or earlier communications from the examiner should be directed to Que T. Le whose telephone number is (571) 272-2438.

If attempts to reach the examiner by telephone are unsuccessful, the examiner's supervisor, David P. Porta, can be reached on (571) 272-2444. The fax phone number for the organization where this application or proceeding is assigned is (703) 872-9306.

Any inquiry of a general nature or relating to the status of this application or proceeding should be directed to the receptionist whose telephone number is (703) 308-0956.

A handwritten signature in black ink, appearing to read 'Que T. Le', with a stylized flourish at the end.
